MEETING SUMMARY: This hearing was requested by Mr. Hubert Hayes with regard to his appeal of TR 96-10 and TR 99-74. Mr. Hayes presented his arguments for why he felt these TR's, which had been approved by sub-committee and main committee at previous meetings should be appealed. Mr. David Steel, Mr. Robert Seymour and Mr. Ken Hamby presented arguments on behalf of the A17 main committee. After the presentations, rebuttal arguments and question and answer period, a vote was taken and the appeal was unanimously denied. Minutes from the meeting can be obtained from Marcy Weinstock, Secretary, Board on Safety Codes and Standards.
